Narratives

Original Narrative

10/19/2018 12:36:07

On 10-05-18 at approx. 1432 hours I was dispatched to an assault report at Cascade Behavioral located at 12844 Military Rd S in Tukwila. The call stated that there was an assault that occurred at 1200 hours with suspect information. The call stated that this was a report call only and that aid had been declined.

I arrived and made contact with the RP [REDACTED] who is the [REDACTED] at the location.

Due to the treatment facility setting I did not have my body camera activated.

[REDACTED] said that she had been assaulted by an involuntary committed patient at approx. 1200 hours today and Identified the patient as [REDACTED]. [REDACTED] explained that she is the [REDACTED] at Cascade and was meeting with another uninvolved client on the 3rd floor ITR floor when she was assaulted by [REDACTED]. She said that [REDACTED] unprovoked came from behind and pulled her hair and slapped her in the face multiple times. [REDACTED] said that [REDACTED] was speaking in Bosnian and she could not understand what she was saying. She said that staff members had to pull [REDACTED] off her to prevent her from continuing to attack her.

[REDACTED] said that [REDACTED] was currently on an involuntary commitment hold and had recently had this hold extended another 90 days. [REDACTED] provided me a copy of the original hold that is included with this case.

[REDACTED] said that she was still feeling a little headache from the attack and that she had red marks on her face right after this occurred but that they had slowly gone away. I currently did not see any redness or swelling around the face.

I did take pictures of [REDACTED] that I uploaded to evidence.com. [REDACTED] also provided me a picture of [REDACTED] from her file that I uploaded.

I said that at least one other staff member witnessed the assault but that person was not currently on location.

I did not speak with [REDACTED] on location due to her status as being involuntarily confined without a lawyer present.

I advised [REDACTED] to write up a statement for me and to also have the other witness write up a statement.

A couple days later I was back at Cascade Behavior on an unrelated call and made contact with [REDACTED]. She provided me with her statement and the statement from employee [REDACTED]. [REDACTED] witnessed [REDACTED] assault [REDACTED] verifying [REDACTED] facts.

I had Tukwila Records scan the statements into Spillman.

This case will be forwarded to the Tukwila Prosecutor for review.
